~ Make a Difference in Your Community ~

The goal of the East Forest Park Civic Association is to improve the quality of life of our residents by addressing neighborhood issues and concerns.

Joining the association allows you to vote on important matters affecting our community such as: zoning changes, business development, liquor licenses, etc., and really makes a difference in the community where you live. Among the many things your membership fee will go toward are printing and mailing costs, our annual Denise Shea Memorial Scholarship Fund, annual awards for outstanding local businesses, maintaining our website, community holiday parties, and other projects the members of the association choose that will benefit East Forest Park.

Our Meetings are held on the second Wednesday of every month at 6:30 PM in the Meeting Room at the East Forest Park Library, 136 Surrey Road, Springfield, MA 01118. The meetings are the ideal way to learn what is going on in our neighborhood while getting to know your neighbors and local business owners.
