## **Join the East Forest Park Civic Association ~ Make a Difference in Your Community ~**

The goal of the East Forest Park Civic Association is to improve the quality of life in our neighborhood. We direct residents and businesses to the appropriate city departments to get their issue addressed and assist them with their pursuits. Our business membership proceeds go towards printing and mailing costs, web site maintenance, the Denise Shea Memorial Scholarship Fund, awards given to businesses and homes, and other costs advocating for ordinances and zoning changes. Being a Business Member will direct area residents to the local businesses who support neighborhood improvement endeavors. We hope that you will become a business partner proudly showing your support for our neighborhood.

Our Meetings are held on the second Wednesday of every month at 6:30 PM in the Meeting Room at the East Forest Park Library, 136 Surrey Road, Springfield, MA 01118. The meetings are the ideal way to learn what is going on in our neighborhood while getting to know your neighbors and local business owners.
